

WIN YOUR SCHOOL A 3D PRINTER!

Learning Blade is partnering with SC STEM Education Month to give away a 3D printer to the school that completes the most STEM/Computer Science career lessons in Learning Blade between 2.14.22 and 3.14.22!

Learning Blade is a system of interactive online lessons and printable at-home activities for 5th to 9th graders, where students learn about STEM and Computer Science careers while reviewing academics. Students can use over 400 online lessons in 12 human-centered "Missions" or stories to explore these exciting careers aligned to all state standards in English, math, science, social studies and technology.

Don't have a Learning Blade account yet? Sign up for up for your free account at www.learningblade.com/SC.
