|  <p>PARTNER ACTION TEAM</p> <p>Empowering Students to Learn and Lead in STEM through FIRST robotics programs</p> <p>Join us December 7th, 3:30 PM</p> <p>STEM Education Month</p> <p>LINDA STEWART, FIRST SOUTH CAROLINA</p> | <p>Empowering Students to Learn and Lead in STEM through FIRST robotics programs</p> <p>Description: FIRST South Carolina transforms students' employment horizons and opportunities through a fun, engaging, and holistic team experience. Come learn about the importance of mentors, event volunteers, and community partners in developing future STEM leaders who desire to bring FIRST core values and collaboration skills into their careers and companies. Student leaders will share their STEM stories and the impact of being a FIRST participant has had on them personally and on their future career aspirations.</p> |
