|  <p>The poster is orange with a blue and green abstract graphic in the top left. At the top center is the 'STEM Education Month' logo. Below it, the text 'PARTNER ACTION TEAM' is written in green, followed by 'Exploring the STEM Learning Ecosystem'. Two headshots are shown: Jeremy Shorr on the left and Xan Black on the right. Below each headshot is their name and title. At the bottom left, it says 'Join us September 7th, 5:50 PM' with a blue arrow pointing to the right.</p> | <p>Title: Exploring the STEM Learning Ecosystem</p> <p>Description: Join us for a conversation on the STEM Learning Ecosystem. We will give careful attention to how STEM Learning Ecosystems are impacting the future of education and supporting workforce demands of the innovation economy. In our journey together we will investigate the components of a STEM ecosystem, the benefits of a STEM education, and the challenges of creating a successful STEM ecosystem.</p> |
